Child single 3p

# How to get there

## **1758 Middleton Railway, Leeds**

For the excursion that's really different:—

### **Hire a Train!**

We have vintage steam and diesel engines which you can hire for as little as £3 (diesel). Steam charges are arranged by negotiation. You can give your friends a trip along the world's Oldest Railway. Ideal for:

School educational excursion  
Sunday School or Your Club outing  
Children's Party Treat  
Photographer's Club

### **What Else Can You Do?**

CHILDREN will enjoy an afternoon in Middleton Woods, a pleasant parkland with play-ground facilities, boating and cafe.

For the EDUCATIONAL PARTY, there is a wealth of industrial archaeology to be seen in the area (we can supply histories of the railway)

RAILWAY ENTHUSIASTS and other parties under responsible leadership can be shown our collection of vintage steam and diesel locomotives (Please note that these are on private property and not generally accessible to the public)

Why not talk over your plans with us.

Write to:

Middleton Railway,  
Hire a Train Service,
